Add Your *Signature* Touch

With our extensive fabric choices and options, you can design your favorite look while demonstrating your attention to detail. No more fussing with sizes on pre-packaged drapery—our drapery is made to order. That means we cut and sew your drapery panels at the same time to your exact specifications, and the quality shines through.

Aporte *su toque* distintivo

Con nuestra amplia variedad de telas y opciones, puede diseñar su estilo favorito y, al mismo tiempo, prestar atención a los detalles. Ya no debe preocuparse por los tamaños de las cortinas ya embaladas: nuestras cortinas se fabrican a medida. Eso quiere decir que cortamos y cosemos los paneles del cortinaje al mismo tiempo según sus especificaciones exactas, y la calidad se destaca.

Drapery Styles / Estilos de cortinaje

Pleated / Plisado

Pleated drapery features different types of hand-set folds at the tops of panels to achieve your desired style—from casual to formal.

El cortinaje plisado ofrece diferentes tipos de pliegues hechos a mano en la parte superior de los paneles para lograr el estilo que desea, desde informal hasta formal.

Drapery Options / Opciones de cortinaje

Draw / Corredera

Planning to open and close your drapery panels? Think about how you'll pull them aside—your choices could be different for each window.

¿Tiene planeado abrir y cerrar los paneles de cortinaje? Piense en cómo los correrá: las opciones podrían ser diferentes para cada ventana.

Pair – Center or Split Draw

Par: deslizamiento central o dividido

Panel – One way draw; right or left

Panel: deslizamiento unidireccional, hacia la derecha o la izquierda

Stationary Panels – Custom-sized panels that are non-functional

Paneles fijos: paneles hechos a la medida que son no funcionales

Lengths / Longitudes

Your custom drapery is more than just fabric and pleats—length affects the look dramatically. From shorter sill panels to those that romantically fall around the bottom of your window, length is an important part of your chosen style.

El cortinaje hecho a medida es mucho más que solo una tela y pliegues: la longitud tiene un gran efecto en el aspecto. La longitud es una parte importante del estilo elegido tanto para los paneles de umbral más cortos como para aquellos que se apoyan de manera delicada en la parte inferior de la ventana.

Banding / Ribete

Personalize your draperies with a strip of contrasting fabric. Choose your banding placement: inside edge, outside edge, or inside and outside edges.

Personalice sus cortinajes con una franja de tela contrastante. Elija dónde colocará el ribete: borde interno, borde externo o ambos.

Trim / Decoración

From buttoned-up gimp to frilly fringe, choose your favorite trim and its placement: inside edge, bottom edge, inside and bottom edges, or inset inside edge (gimp only).

Elija su galón favorito, desde un galón con botones hasta un ribete con adornos, y dónde colocarlo: borde interno, borde inferior, ambos o borde interno agregado (solamente para galones).

Color Blocking / Bloques de colores

Color blocking allows you to pair two fabrics to create draperies of your own design. You decide where you want each fabric—color block the top or bottom one-third or one-fifth of your draperies.

Los bloques de colores le permiten combinar dos telas para diseñar cortinajes con su propio estilo. Puede decidir dónde desea usar cada tela: elija bloques de colores para 1/3 o 1/5 de la parte superior o inferior de los cortinajes.

Tiebacks / Cordones de amarre

Draperies tiebacks hold your panels away from the window with an extra flourish of your own personal style. Add trim or welting for added accent.

Los cordones de amarre de los cortinajes mantienen a los paneles separados de la ventana con un toque adicional de su estilo personal. Agregue adornos o ribetes para aportar un toque adicional.

Top treatments are all about making a window your own with dramatic, signature personalization.

Sea ovacionado con las decoraciones superiores

Las decoraciones superiores tienen que ver con personalizar su ventana con su propio toque sensacional y distintivo.

Unique Windows / Ventanas únicas

Returns on One Side / Retornos en un lado

These cornices have a return only on one side to fit a window with an adjoining fireplace, bookcase, or wall.

Estas cornisas tienen un retorno en un solo lado para adaptarse a una ventana que está al lado de una chimenea, una biblioteca o una pared.

Butt and Bypass / Riel de extremo y división

Straight cornices, without dust covers, for corner windows are created with two cornices; the shorter one abutting the longer one. (Fabric wrapped only.)

Las cornisas rectas, sin cubierta antipolvo, para las ventanas esquineras están diseñadas con dos cornisas; la más corta sostiene a la más larga. (Solamente para cornisas revestidas en tela).

Nuestro forro estándar aporta cuerpo y protege la tela.

Blackout / Bloqueo completo de la luz

Blocks light from entering closed draperies; perfect for bedrooms, media rooms, nurseries, and family rooms. Our unique blackout solution for shades eliminates pinholes.

Bloquea la luz que ingresa por los cortinajes cerrados; es ideal para habitaciones, salas de medios, habitaciones de niños y habitaciones familiares. Nuestra exclusiva solución de bloqueo completo de la luz para persianas elimina los orificios.

Thermal / Térmico

Reduces heat and cold transfer and noise into your room.

Reduce la transferencia de calor y frío, y el ruido en la habitación.

Water Repellent / Resistente al agua

Great for draperies in basements, bathrooms, and in homes with older windows (to help block condensation).

Es ideal para cortinajes en sótanos, baños y casas con ventanas viejas (ayuda a bloquear la condensación).

Flannel-Backed Lining / Forro de franela en la parte posterior

Flannel-backed lining provides additional body to lightweight fabrics while reducing heat and light transfer.

El forro de franela en la parte posterior aporta más cuerpo a las telas livianas y, al mismo tiempo, reduce la transferencia de calor y frío.

Measuring Considerations

Your windows are like no other, and we want to make sure your window treatments shine. Measuring is an important step—these tips will help you get started. When you're ready to record your measurements, please visit baliblinds.com for detailed instructions and worksheets.

Consideraciones sobre las mediciones

Su ventanas son únicas y nosotros queremos asegurarnos de que las decoraciones para ventanas se destaquen. La medición es un paso importante: los siguientes consejos lo ayudarán a hacerlo. Cuando esté listo para registrar las medidas, visite baliblinds.com para obtener instrucciones detalladas y hojas de trabajo.

Tools & Tips

Herramientas y consejos

For accuracy, always use a steel tape measure, not a cloth measuring tape.

Para lograr mayor precisión, siempre utilice una cinta métrica de acero y no una cinta métrica de tela.

Measure each window individually, as size differences are common.

Mida cada ventana en forma individual, ya que es común que haya diferencias en el tamaño.

Measure width from left to right; length from top to bottom.

Mida el ancho de izquierda a derecha y el largo de arriba hacia abajo.

Always double-check your work.

Recuerde que siempre debe volver a controlar las mediciones que ha tomado.
